EDUCATION

Degree/Certificate	Institute/School	CGPA/Percentage	Year
B.Tech. CSE	Indian Institute of Technology, Jodhpur	8.95/10	2024 - Present
Senior Secondary	Fergusson College	87.33%	2022 - 2024
Secondary	DAV Public School, Pune	94.80%	2022

EXPERIENCE

- Full-Stack Developer – IITJ Library Management System**
Department of Computer Science and Engineering, IIT Jodhpur
Supervisor: Prof. Romi Banerjee
Jan. 2026 – April 2026
 - **GitHub:** [Backend](#) | [Admin Portal](#) | [Mobile App](#)
 - Implemented a **role-based access control (RBAC)** system with an **admin/sub-admin** role model, reusable permission middleware, and REST APIs for sub-admin lifecycle management across a **Node.js/Express.js** backend and **React.js** admin portal.
 - Built a **MongoDB-backed link configuration system** replacing hardcoded URLs across four **Flutter** screens, and an **end-to-end library events system** with scheduled start/end datetime, admin CRUD APIs, and a **Flutter app-launch banner** surfacing active events on startup.

PROJECTS

- FinSage Multi-Agent Trading Assistant (Industry Collaboration - Blackrock)**
Python, LLM-based Agents, ReactJS, FastAPI, Docker
Jan. 2025 – April 2025
[GitHub](#)
 - Built five specialized **LLM-powered agents** (Technical, Sentiment, Fundamental, Risk, Portfolio) with a centralized **explainability engine** for unified stock analysis and insights.
 - Developed a **ReactJS + FastAPI** platform featuring real-time **candlestick charting**, technical indicators, markdown-enabled chat interface, and **LLM-driven agent orchestration**.
 - Integrated **Alpha Vantage**, implemented **OpenAI/Gemini fallback chaining**, and containerized deployment using **Docker Compose**.
- Ignus '26 Official Website**
React.js, Vite, Tailwind CSS, Firebase, JavaScript, REST APIs
February-2026
[Website](#)
 - Developed IIT Jodhpur's official Ignus '26 website using **React.js**, **Vite**, and **Tailwind CSS**, building a responsive, production-ready frontend with improved **SEO**, accessibility, and cross-device performance.
 - Implemented core platform features including **authentication**, **protected routing**, **Google OAuth**, **event registration**, **team management**, **passes**, **schedule management**, and dynamic **user profile workflows** through integrated **REST APIs**.
 - Optimized application scalability and backend load handling to support **6,000+ active users** with **99.99% uptime** during peak fest traffic.
- OCEAS – Online Coding Exam & Assignment System (Software Engineering Course Project)**
ReactJS, TypeScript, Vite, Express.js, PostgreSQL, Supabase, Node.js, MediaPipe
Jan. 2026 – April 2026
[GitHub](#) | [Deployed](#)
 - Built a full-stack **proctored online coding examination platform** supporting **role-based access control** (Admin, Instructor, Student), real-time **multi-language code execution** via JDoodle API, and client-side **face detection proctoring** using MediaPipe Tasks Vision with an **exam-lock enforcement** mechanism.
 - Architected as an **npm workspaces monorepo** with an **Express.js + TypeScript** backend and **React 18 + Vite** frontend; delegated identity to **Supabase JWT** (JWKS-verified, domain-restricted to iitj.ac.in), and streamed grading verdicts to clients in real time via **Server-Sent Events (SSE)**.
 - Designed an **idempotent SQL migration system** over **PostgreSQL**, integrated a **CodeMirror 6** editor supporting Python, Java, C++, and JavaScript, and deployed on **Render** with automated migrations on every startup.

SKILLS

Languages:	C, C++, Python, Java, JavaScript, TypeScript, SQL, HTML, CSS
Frameworks/Libraries:	ReactJS, Node.js, Express.js, FastAPI, Flask, Vite, Tailwind CSS, Flutter, Scikit-Learn, Pandas, NumPy, Matplotlib
Databases:	PostgreSQL, MongoDB, Supabase, Firebase
DevOps/Tools:	Docker, Docker Compose, Render, Git, GitHub, Jupyter, Google Colab

COURSEWORK

Data Structures and Algorithms	A	Signals and Systems	A
Introduction to Computer Science	A	Pattern Recognition and Machine Learning	A
Mathematics-II	A	Mathematics for Computing	A-

ACHIEVEMENTS

- **Represented** IIT Jodhpur at the **Inter-IIT Sports Meet** held at IIT Kanpur (2024) and IIT Madras (2025).
- **Represented** IIT Jodhpur in Varchas 2024, Varchas 2025, and MST-25 (MNIT Sports Fest).
- **Ranked** among the **top 25** students in the CSE department.

CAMPUS INVOLVEMENT & LEADERSHIP

- **Assistant Head, Web Development**, Ignus '26, Indian Institute of Technology, Jodhpur
Jan 2026 - Feb 2026
- **WARP '25, Project Member**, RAID (AI-ML club), Indian Institute of Technology, Jodhpur
Jan 2025 - March 2025
- **Core Member**, Basketball Society, Indian Institute of Technology, Jodhpur
May 2025 - Present
- **Student Guide**, Student Wellbeing Committee, Indian Institute of Technology, Jodhpur
May 2025 - Apr 2026
- **Core Member**, Career Development Cell, Indian Institute of Technology, Jodhpur
Oct 2025 - Apr 2026
- **Assistant Head, Finance**, Varchas'25, Indian Institute of Technology, Jodhpur
Oct 2025 - Nov 2025
- **Volunteer**, Varchas'24, Indian Institute of Technology, Jodhpur
Oct 2024
